

ROCKET SHIP PICTURE FRAMES

R52025

Pop out the pieces and let kids decorate using paint, markers, crayons, or collage materials. Once complete, slide the base into place and insert a favorite picture in the back for a personalized space adventure! These fun, eco-friendly frames make a perfect decoration for a budding astronaut's room or a thoughtful gift. Made from recycled corrugated material, they're ideal for classroom projects or creative crafts at home.
