1 Based on internal analysis, February 2024. Percentage is based on system plastic weight and may vary by model. 2 Based on internal analysis, November 2022. 38.8% recycled content and 61.2% renewable materials in the form of FSC fibers. Percentages may vary slightly by region. Excludes optional items added to order and included in box. Paper packaging materials can be recycled via municipal recycling, where available. System bag is made from recycled plastic and can be recycled along with other thin plastics. See local recycling guidelines. 3 Based on internal analysis, September 2023. Based on EPEAT Climate+ Designations achieved in all applicable countries. EPEAT registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status and tier levels by country.
