

PLANT X RAYS & PICTURE CARDS

R59261

Uncover the fascinating inner workings of plants! Explore fruits, vegetables, nuts, seeds, flowers, and weeds from the inside out as each x-ray reveals unique details about plant structures. Match the x-rays to their corresponding picture cards for an engaging and educational experience. Ideal for classroom discussions about healthy eating and the beauty of nature, this set is perfect for sparking curiosity about the natural world and promoting healthy habits.

Case Pack: 8

Ages 4+

Includes: 42 x rays and picture cards
