

Helping children understand and share their emotions

**LEGO® Education
Preschool**

SO MANY WAYS TO
LEARN. TOGETHER

The new **LEGO® DUPLO® Build Me “Emotions Set”** invites pre-schoolers to explore emotions and physical characteristics in a fun and engaging way.

As children collaborate on a range of character building experiences, they recognize feelings and identify similarities and differences. They share their feelings with other children in the group and learn to express basic emotions. Building cards provide support and inspiration so children can continue to build and rebuild characters again and again!
