

LEARNER GRAPHITE PENCIL

Graphite pencil for learners, triangular jumbo size, designed to help correct positioning of the fingers

Product description

Triangular graphite pencil, jumbo size, 4.0 mm HB / #2 lead, suitable for right or left-handed use, ideal for younger pupils learning to write, made in France.

Triangular ultra-strong barrel

- 140 mm long
- Triangular shape, comfortable in hand
- It helps the child place his or her fingers correctly

Guiding line

- Visual yellow guiding line for proper finger position
- It helps the teacher identify pupils having problems at a glance

Wood free

- Made of synthetic resin with a unique BIC manufacturing process
- Does not splinter on breaking
- Resistant to chewing

For both left and right handed

Resistant HB / #2 lead

- 4.0 mm diameter
- Ultra shock resistant
- Excellent erasability
- Manufactured by BIC

Transparent sheath

- Protective sheath around the lead

Available in 2 colors
