

ALL ABOUT ME DOLL

R51350

Encourage children to explore their uniqueness while learning about sustainability! These dolls arrive flat and can be used as is or turned inside out for added creativity. Kids can decorate them with crayons, markers, or paint, then stuff them with recycled materials like old grocery bags, fabric scraps, tissue paper, or worn-out socks. Made from recycled cotton, these dolls are a perfect project for promoting individuality and environmental awareness.

Case Pack: 12

Ages 4+

Includes: 12 dolls, 9.5x 9.5"

Made in Canada
