Taco Fredag Mexican Lager

Meksikans lagerøl som er det perfekte tilbehør til tacokvelden, uansett hva dag i veka den hamnar på! Lys, lett og forfriskande - som gjer den til eit naturleg val til meksikansk mat. Fram med sombreroen og ponchoen, og nyt ein skikkeleg festa!

At Ægir we believe that great beer is best with great food, so we make a range of traditional styles while also experimenting with new and exciting ideas. We brew with passion and a penchant for the small details that ensure the quality of our award-winning beers. The brewery is named for Ægir, god of the sea from the Nordic Mythology-- according to Odin he made the world's best beer. Cheers from Norway!

In Norway we have many interesting traditions, and one that is especially international is everyone eating tacos for dinner on Fridays. So what better beer for Taco Friday than a Mexican Lager! Light and refreshing, this beer is just the thing to pair with Mexican food no matter what day of the week it is. Grab your sombrero and poncho, and fire up a festa!
