

Water-Filled Boom Diverters

Spill Control & Environmental - Water-Filled Boom Diverters

Divert and control fluid for easy clean up or recovery - helps comply with EPA for storm water regulations.

- Use water filled booms in storm water management, portable washdown/ pressure washing diversion, and spill diversion
- Flexible PVC film construction conforms to uneven surfaces such as asphalt or concrete to form a diversionary barrier away from storm drains or as a holding area for wet vacuum operations
- Features easy-open push plug for filling with standard water hose

Colors:

- Blue

Sizes:

- 22.9cm x 152.4cm
- 22.9cm x 1524cm
- 22.9cm x 304.8cm
- 22.9cm x 762cm

Spill Control & Environmental - Water-Filled Boom Diverters

General

Brand	Justrite
Product Number	2845
Product Family	Spill Control & Environmental
Product Group	Spill Control & Environmental
