Dust Control Matting - Outdoor Contract & Installation Matting

The traditional octagonal Oct-O-Mat™ outdoor rubber mat is known for its large holes that provide traction and excellent drainage in extreme weather conditions, and scrape shoes to stop dirt, grit and grime from entering the building.

- Made from a durable rubber compound, these heavy duty mats withstand intense foot traffic, are easy to clean and practically weather proof
- Raised knobs underneath allow excellent drainage, leaving a clean and dry surface
- Available in a nitrile oil resistant or fire retardant compound on request

- Outdoor
- For placement in interior or exterior recessed matwell frames
- Heavy traffic
