

Safety Rinse Tanks

Easily clean large parts with rinse tanks

Cleaning Tanks for Hazardous Liquids - Safety Rinse Tanks

Easily clean large parts with big-capacity rinse tanks—available in floor standing, benchtop and twin chamber styles.

- Generously sized 30 cm deep tank to immerse parts
- All chambers feature a 19 mm drain plug for easy solvent replacement
- Features self-closing covers operated by foot treadle
- Adjustable-rate pneumatic cylinder prevents cover from slamming shut when treadle is released
- Lift-and-latch style cover includes a fusible link that melts under fire conditions to automatically close co
