

# OptiWash®

38-litre slimline wall-mounted eye/face wash unit

# Emergency Eye/Face Wash Equipment - Self-contained/Portable OptiWash®

38-litre slimline wall-mounted eye/face wash unit delivers a controlled flow of a minimum of 1.5 litres per minute of water for 15 minutes, meeting EN15154 and ANSI Z358.1-2014 requirements.

- Delivery manifold drains unused water away reducing the risk of stagnating water becoming trapped
- High visibility orange unit incorporates handles to aid installation
- Wide opening for ease of filling
- Meets the requirements of EN and ANSI standards
- Wall mounting bracket included
- Water preservative additive available to eliminate bacteria

#### Recommended use

- Indoor/Outdoor

#### Colors:

- Orange

#### Sizes:

- 45cm x 77.4cm

#### Accessories:
