

Washdown QuickBerm®

Washdown QuickBerm®

Spill Control & Environmental - Washdown QuickBerm®

Portable drive-through station captures contaminated water from vehicle and construction equipment wash down.

- Durable vinyl coated material reinforced with radio frequencywelded, high visibility yellow runway strips that withstand drive-thru traffic, including backhoes and skid steers
- Removable 102-mm diameter foam inserts support sidewalls while 51- x 203-mm planks (not included) slide into pockets to keep end walls elevated preventing wastewater from escaping during drive-over. Simply remove foam inserts to fold material for quick and compact storage
- Two DN25 NPT fittings on each side of the berm for drainage
- Brass grommets around perimeter provide the ability to securely anchor berm during use. Anchor stakes not included
- Helps comply with EPA for storm water regulations

Colors:

- Black

Sizes:

- 325.1cm x 640.1cm
- 386.1cm x 883.9cm
- 447cm x 1727.2cm
