30-Minute EN Safety Storage Cabinets

# EN Safety Cabinets for Flammables - EN Safety Cabinets for Flammables

## 30-Minute EN Safety Storage Cabinets

Extreme fire resistance for high-risk environments such as high occupancy sites, high-value/high asset settings, or remote areas that lack fire-fighting services.

- Doors self-close to ensure cabinet is closed in the event of a fire
- Independent cylinder locks on each door with locking state indicator
- Removable sump with perforated insert captures spills keeps containers elevated to stay dry
- Transport base accepts pallet jack to move empty cabinet – accepts optional, removable base cover
- Meets EN, OSHA, NFPA and approved by FM Approvals and MPA Dresden
- Two-toned yellow body of melamine resin and flame-retardant plates, with a steel door covered by textured, power-coat finish
- Intumescent protection strips expand and seal gaps between the door(s) and frame and air vents close at 70 C° in a fire
