574 De-Flex[®] ESD Nitrile FR

ESD Nitrile mat with dual locking connection

Ergonomic, Anti-fatigue & Safety Matting - ESD Matting & Accessories

574 De-Flex® ESD Nitrile FR

Extremely comfortable heavy duty anti-fatigue matting system with popular diamond plate traction surface that can be easily assembled for coverage of large areas or individual workstation mats.

- Modular rubber tiles are designed with a universal double-locking system on all sides to ensure an extra strong yet seamless connection for fast installation
- The 19 mm thick platform insulates the worker from the hard ground while the bulleted domes underneath allow the mat to bend and flex with every movement
- Unique extended ramp prevents tripping and allows cart access with smart bevelling solutions for inside and outside corners
- Resistant to most industrial oils and suitable for welding areas

Recommended use

- Dry Areas
- For placement in ESD assembly lines, picking, packing and logistics warehouses, individual work stations.
- Heavy duty

Colors:

- Black

Sizes:

- 45cm x 45cm
- 45cm x 45cm
