

150 Aqua-Trap[®]

Robust barrier mat with raised domes

150 Aqua-Trap® Dust Control Matting - Carpet Mats

True to its name, this patented perimeter "Aqua Dam" forms a tray that can hold up to 6 litres of water per square meter and is treated with an anti microbial carpet treatment to stop bacteria and germs at the entrance.

- Textile top surface is high pressure moulded into a bubble design on an indestructible rubber base to withstand the heaviest of foot traffic
- Unsurpassed ability to scrape debris from shoes while maintaining its great looking appearance for the longest time
- Unique slip resistant gripper pattern on the back

- Indoor
- For placement inside entrances of hotels, shops, department stores, schools, universities, restaurants, supermarkets.
- Heavy traffic
