

Heavy duty rubber tiles can be easily assembled for coverage of large areas or individual workstations. Ergonomic benefit derived from a 13 mm thick worker platform with a bubble pattern for maximum fatigue relief in dry industrial environments. The 5S grey colour can be used to mark out work areas for effective workplace organization.

- The unique design and craftsmanship make the mat easy to handle and easy to install on site
- A tooled grid of 30 cm x 30 cm sections on the underside of the mat makes further customization quick and easy
- Attachable bevelled edges prevent tripping and allow inside and outside corners
- Resistant to most industrial oils
- 5S grey colour to mark out work areas
