

# 325 Bevelled Nosing

## PRODUCT SPECIFICATIONS

Designation	Accessories
Type	Bevelled nosing
Description	Bevels for carpet and CiTi™ matting
Material	Vinyl
Process	Moulding
Recommended use	Use on custom cut borders to produce a safe and clean bevelled edge. For articles 273, 274, 113.
Colours	Black
Weight	0.6 kg per linear meter
Thickness	11 mm
Standard sizes	Full roll 18,3 m
Custom sizes	Per linear meter Per linear meter mounted
Special remarks	Easy to apply nosing, gives on-site cut mats a factory finished look. Use article 086 Super Glue to apply to thin side of nosing and attach to back of mat.
