Sure-Grip® EX Countertop Safety Cabinets for Corrosives

Sure-Grip® EX Countertop Safety Cabinets for Corrosives

Corrosives Safety Cabinets - Safety Cabinets for Corrosives

Protect personnel and laboratories from damaging chemicals by storing corrosives in specially designed safety cabinets.

- Independently fire tested and approved by FM Approvals
- Powder-coat paint finish, inside and out
- Same fire-resistant design as classic Justrite cabinets for flammable storage
- Leakproof 51-mm sump, dual vents with flame arresters, adjustable levelling feet, grounding connector
- Polyethylene trays fit on galvanized steel SpillSlope® shelves to help resist aggressive chemicals
- Polyethylene liner at bottom of sump removes for easy cleaning of drips and leaks
