

# Bunded Drum Outdoor Storage Cabinets - Galvanized Steel

Galvanized bunded cabinets for outdoor storage

# Outdoor Drum Storage - Chemicals & Hazardous Materials Bunded Drum Outdoor Storage Cabinets - Galvanized Steel

Galvanized steel bunded drum cabinets and deposits for safe outdoor storage. The hot-dip galvanization process makes them suitable for storing flammables and hazardous substances and provides superior resistance against weathering, rust, and corrosion.

- Hot-dip galvanized steel structure. (Shelves available as optional)
- Lockable with retractable handle lock
- Integrated certified spill tank
- Removable galvanized grid
- Vented sides for the optimal internal ventilation
- Models with sump capacities up to 1000L are StawaR certified
- For corrosive liquids the sump can be equipped with an additional polypropylene, polyethylene or PVC tank on request

#### Recommended use

- For the safety outdoor storage of drums containing hazardous, polluting and flammable liquids in the event of leaks or failure of the drums. For workplace, people and environmental safety in case of drums failure or in case of accidental spills and to minimize the possible risks and dangers of gas saturation within the deposit.
- Heavy duty

#### Colors:

- Galvanised Steel

#### Sizes:

- 140 x 131 x 166 cm
- 140 x 91 X 160 cm

# Outdoor Drum Storage - Chemicals & Hazardous Materials

## Bunded Drum Outdoor Storage Cabinets - Galvanized Steel

### General

Brand	Sall
Category	Chemicals & Hazardous Materials
Product Number	EDS
Product Family	Spill Control & Environmental
Product Group	Outdoor Drum Storage
Product Name	Bunded Drum Outdoor Storage Cabinets - Galvanized Steel
Recommended use	For the safety outdoor storage of drums containing hazardous, polluting and flammable liquids in the event of leaks or failure of the drums. For workplace, people and environmental safety in case of drums failure or in case of accidental spills and to minimize the possible risks and dangers of gas saturation within the deposit.
Shipping Location	42025 Cavriago, Reggio nell'Emilia, Italy
Usage Intensity	Heavy duty

### Technical Specifications

Application	For outdoor safety storage of drums containing chemicals, flammable, hazardous liquids
Material	Galvanized Steel
Material Group	Galvanized Steel
