

Type 1 Poly Safety Cans

Type I Safety Cans - Type I Polyethylene Safety Cans

Type 1 Poly Safety Cans

Chemical-resistant HDPE cans offer safe storage for flammable corrosives in a space-saving design.

- Independently fire tested and approved by FM Approvals
- Durable one-piece body construction that resist dents, punctures, and chips to withstand abusive environments
- Patented conductive current-carrying carbon insert embedded into the rib of containers completes a ground path between the cover assembly and the flame arrester. When used with a grounding strip, this prevents the creation of a static arc during filling or pouring
- Self-closing cap, pressure-relief mechanism and flame arrester prevent ignition sources from entering without restricting liquid flow in or out of the can
- Resistant to tough acids and heat
- Suitable for most high-purity liquids

Colors:

- Red
- White

Sizes:

- 11.7cm x 24.1cm
- 11.7cm x 32.4cm
- 20.3cm x 20.3cm
- 36.2cm x 36.2cm
- 40.6cm x 40.6cm

Accessories:

- Bolt-On Funnels for Type I Cans
- Funnel for pouring fits poly Safety Cans, Polyethylene, White

Type I Safety Cans - Type I Polyethylene Safety Cans

Type 1 Poly Safety Cans

General

Brand	Justrite
Category	Type I Polyethylene Safety Cans
Product Number	1406
Product Family	Safety Cans & Containers
Product Group	Type I Safety Cans
Product Name	Type 1 Poly Safety Cans
Shipping Location	Achterzeedijk 57, Unit 15, Barendrecht 2992SB, The Netherlands
Update trigger	20210310-1301
