Finder twilight switch model 11.71.7.230.0000

Theben Sel 170 TOP2 Astronomical timer

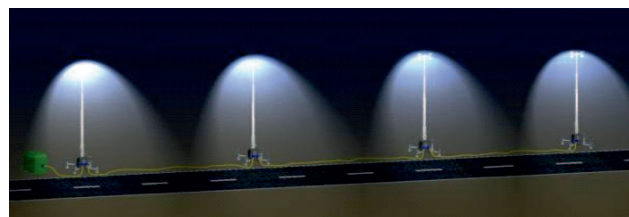

Technical informations with 4x150W LED

Power consumption: 600 W
 Illuminated area: 2.400m²
 Light-output: 60.000lm
 Power Inlet: 230V/16A Schuko plug
 Power Out: 230V/16A Schuko socket
 Operating voltage: 230V
 Dimensions closed: 120x80x220cm
 Dimensions open: 203x134x700cm
 Weight: 316kg
 Wind stability: 80Km/h

Technical informations with 4x200W TSR-LED

Power consumption: 800 W
 Illuminated area: 2.800m²
 Light-output: 88.000lm
 Power Inlet: 230V/16A Schuko plug
 Power Out: 230V/16A Schuko socket
 Operating voltage: 230V
 Dimensions closed: 120x80x220cm
 Dimensions open: 203x134x700cm
 Weight: 325kg
 Wind stability: 80Km/h

- *Power input and output can be customized to meet customer needs
- *Unit coloring can be also customized to meet customer needs
- *4-5 Units can linkable with one powersource
