Customs tariff number:	84669280		

DATASHEET

JAMBTAC

JAMBTAC serves as a mobile anchor point for all door widths from 600 to 1,100 mm. Made of aluminium, the adjustable door crossbar is very light and can be easily adapted to a wide range of door widths. Rounded profile edges and plastic caps at the ends reduce the risk of injury to users and prevent scratches and signs of use on door jambs. JAMBTAC can be used by up to two people at the same time for securing.

FEATURES

Anchor point type:	Mobile anchor point
Application areas:	Emergency, Elevator construction
Colour:	Silver, Black
