

# ESE 2000i Silent Inverter generator

Modell	ESE 2000i
Order No.	
Max. power kVA/kW	2,0 / 2,0
Cont. power kVA/kW	1,6 / 1,6
Alternator type	synchronous
Rated voltage	230V 1~ / 12V =
Rated current / cos φ	8,7A 1~ / 1,0
Frequency / Regulation	50Hz / Inverter
<b>Engine</b>	YAMAHA MZ80 / 3,5 HP
Type	1-cylinder 4-stroke
Displacement	79 cm <sup>3</sup>
Output @ 3.000 U/min	1,8 kW
Fuel type	Petrol
Tank volume	4 Litres
Consumption	0,7 l/h
Running time	6 h
Startsystem	Recoil start
Sound pressure level (7m)	51 db(A)
Weight kg	20
Dimensions LxBxH mm	540 x 330 x 505
Sockets	1 x 230V / 16A 1 x 12V

#### Standard equipment

- Yamaha MZ80 Motor for longevity
- Super silent canopy, operates at 50-65 db(A)
- Inverter technology, delivers reliable power for computers and other sensitive consumers
- Low oil alert
- Overload protection
- ECOtronic - varies engines speed based on load
- Manual Choke for a convenient cold start
- 3 in 1 indicator for output, low oil alarm and overload alarm

\*Consumptions in litres and running time in hours at 3/4 load. All values and pictures are non-binding. Technical specification subject to change without notice.
