Product: hs1210

This product is in conformity with the requirements of the following specification:

Safety - EN 60950

EMC - EN 55022 / EN55024

Radio - ETSI 300-440-1

This product is intended for use within the following countries: Sweden, Norway, Denmark and Finland. However, due to differences between the individual PSTN's provided in the different countries, the approval does not, of itself, give an unconditional assurance of successful operation on every PSTN network termination point.

This product contains radio equipment that makes use of non harmonised frequency bands. This means that it's strictly forbidden to use it in other countries than those listed above.
