

JACKSON®

SAFETY Brand

A Leading North American Face Shield Manufacturer for almost 90 years!

RE-USEABLE SPLASH PROTECTION FACE SHIELD

PROD. NO.: 14350

Description and Performance

- Ideal for splash protection against liquids and body fluids for health care workers, first responders and in food processing applications.
- Safeguards against splash and dust in a wide range of general use applications.
- Easy-to-install/replace window – quickly snaps on or off the headband for maximum convenience.
- Extra-large full-face coverage for superior protection – check and compare!
- Reusable design – significantly reduces landfill waste and saves on disposal costs!
- Window features an anti-fog coating not found on most other face shields – keeps your vision clear and safe!
- Baseball cap style pinlock head strap ensures quick and easy adjustments – just set it and forget it!
- Window and headband made with recyclable materials and are both replaceable.
- A premium yet cost effective face shield solution – a Jackson Safety exclusive!
- Not designed for use in high impact applications.
- Individual wrapped to protect the product during shipment and before use.
