

# S28311

## Welding Helmets – 280 Series

### Key Features and Benefits:

- Sellstrom's 280 Series welding helmets have been an industry leader for decades
- Made in the USA, the 280 Series is a traditional bucket style welding helmet
- Molded from Super Tuff nylon—lighter than fiberglass and extremely durable
- Patented Sel-Snap lens retention system provides easy loading of filter, cover and protective plates
- Lift front version comes standard with spring loaded positive lock feature
- Coated with our proprietary Super Kool silver coating which keeps the helmet 30% cooler than standard helmets and sheds spatter without burning
- Provides maximum operator comfort and safety
- Specially designed shape for use with cartridge respirators
- Meets or exceeds **ANSI Z87.1** and **CAN/CSA Z94.3** standards
- Comes standard with a 2" x 4-1/4" shade 10 filter plate

**MADE IN  
USA**
