### TURN YOUR SHOES INTO AN ICE GRIPPING, SNOW STOMPING PHENOMENON!

**Walk or Run with more confidence on Ice & Snow**  
 Due North® Traction Aids increase traction to help prevent slips and falls on snow and ice, reducing the risk of possible pulled muscles, fractures and back problems.

**ICE DIAMOND™**  
 Replaceable Ice Diamond™ “Military” Grade Tungsten Carbide Spikes work independently to provide outstanding traction on ice and packed snow. Tungsten Carbide wears longer and holds its ice piercing edge better than steel.
