

# Thermostat™ Hi-Vis Cooling Safety Vest

Designed to prevent heat exhaustion and fatigue, these vests provide safe and effective cooling comfort while keeping you visible on the jobsite.

## Key Features and Benefits:

- Thermostat™ evaporative cooling polymer provides fast and effective cooling
- Simply submerge in water and wring out excess for hours of cooling comfort
- Cooling material holds snug to your body for fast and effective relief
- Specially designed polyester pongee fabric is comfortable and durable
- Premium StarTech® reflective tape provides maximum visibility
- Nylon lining coated with PTFE material provides a waterproof yet breathable design
- Full zipper front for easy on/off
- 936U meets ANSI/ISEA 107-2020 Class 2 Type P and R
