H3664 5 PC TRIM PANEL REMOVAL TOOL SET

This 5 pc Trim Panel Removal Tool Set has a variety of popular body trim panel removal tools. They are designed to prevent the trim panel fastener from pulling through the panel. These tools have ergonomic handles and "SVCN" satin chrome-plated steel shafts. The set comes with a reusable storage tray.

Kit includes:

Large "V" Notch Tip	Length 9" (228,6mm)
Small "V" Notch Tip	Length 8-1/4" (209,5mm)
1/4" "U" Notch Tip	Length 8-3/4" (222,2mm)
5/16" "U" Notch Tip	Length 8-3/4" (222,2mm)
Square Notch Tip	Length 9-7/8" (250,8mm)

H1364 SCRAPER WITH EXTENDED ARM

This all purpose scraper is designed to reach into those hard to get areas to remove inspection stickers, paint, masking tape and general purpose scraping. This tool features an ergonomic handle with steel shaft. One steel blade included.

Length: 12-1/2" (317.5mm)
