

INDUSTRIAL TRACTION

ICE + SNOW

LT. INDUSTRIAL

Ideal for the worker who occasionally needs additional traction on ice and snow while performing outdoor duties.

- 12 “Military” Grade Tungsten Carbide “replaceable” spikes maximize traction and performance
- Spike patterns have been strategically placed at the heel and front of the sole, leaving the mid-sole area open for safe ladder use – no need to remove our traction aids when climbing or descending ladders (mid-soles models excluded)
- Exclusive specially formulated 100% natural rubber – provides maximum flexibility and durability in extreme cold conditions
- Improved toe-box design enhances fit and function
- 360° spike pattern provides more push and lateral grip
- Unique support hole on heel strap provides easy adjustment, allowing easy put-on and take-off characteristics
- Proprietary tread design for added slip resistance
- A low-cost solution for light duty, intermittent use work environments
