

Kneepro Ultra Flex III Knee Pads

Key Features and Benefits:

- Sellstrom's KneePro Ultra Flex III knee pads have been the industry standard for more than 30 years
- The articulating hinged design ensures proper placement all day long—set them once and forget you are even wearing them
- Soft elastic, extra-wide woven straps with reinforced sewn ends are placed well above and below the knee—no Velcro, which contaminates over time
- Straps stay aligned with your legs in any position—will not bind behind the knee
- Built with strong, flexible hard plastic outer shells that extend well above, below and to the inside/outside of the knee for added knee and leg protection
- Metal rivet hinge ensures long lasting protection while kneeling or walking
- Grip-Strip designed for use in all applications without gumming up
- On the inside, pads offer a long lasting 5/8" closed cell foam pad for maximum comfort and protection
- Specially designed Quick-Snap clips ensure quick and easy removal
- Pads weigh only 9 oz. each

Hard plastic outer shells are extremely strong

Quick-Snap clips ensure quick and easy removal

Non-marking Grip-Strip for use on any surface

Hinged with metal rivet for ease of movement while kneeling or walking

S96110

Gel packs are securely placed inside a three-layer, 3/4" (19mm) closed cell foam compartment and are guaranteed to stay leak free

Soft elastic woven straps are placed well above and below the knee—ensures proper pad placement all day long without any binding behind the knee!
