

STRONGARM®

2-Ton Low Rider Floor Jack

Key Features and Benefits:

- Ultra-low height at 2-11/16" is ideal for servicing sports cars and other low-rise vehicles
- 23-5/8" max. lift height provides versatility needed to lift small SUVs and lightweight pick-up trucks
- 18" throw allows the jack to reach all lift points under a vehicle
- Lightning™ hydraulic lift system quickly raises the vehicle to desired lift height
- Jack is equipped with a rubber saddle pad and foam handle bumper to protect the vehicle
- Ball-bearing rear-mounted swivel casters for easy maneuverability
- Meets or exceeds 2019 ASME PASE Standards
- Equipped with safety bypass valve to prevent overloading
