

# 33' SAE/Metric Tape Measure

## Key Features and Benefits:

- Magnetic hook sticks to steel studs and pipe for easy one-hand use
- Nylon-coated, nickel-plated blade resists corrosion
- High-contrast blade for easy reading
- Tape is marked every 16" and 19.2" for easy stud measurements
- Integral rubber inserts provide maximum grip and protection
- Built-in bumper cushions reduce recoil impact
- Easy-slide lock & belt clip
- Dual SAE and metric scales
- Tape provides up to 2.2-meter (7.2 feet) standout
- Meets MID II (Measuring Instruments Directive) Standards
- Available individually carded or in display cases of 6 carded tapes
