PROPERTY	DESCRIPTION
Standards	Meets ANSI Z87.1+ 2010 Standards; CSA Certified to CSA Z94.3
Applications	Light industrial manufacturing, cutting or grinding metal, cutting wood, splash, impact, high-heat applications
Material	Polycarbonate

WARNING: Application & Safety

Face shields do not provide unlimited eye and face protection—primary eye protection (safety eyewear or goggles) must be worn. Face shields are recommended for use only with Jackson Safety[®] head gear/cap adapters.

WORKMANSHIP REQUIREMENT

Face shields shall be made in accordance with reasonable industry practice with respect to defects or dirt and contamination. Face shields should be packaged as specified, having described shape, dimension and color in the appropriate quantity, as listed.
