

# S26400

## Premium Series

### Welding Helmet with ADF

#### Key Features and Benefits:

- Optical clarity 1/1/1/1
- Engineered with True Color technology
- Features state of the art Blue Lens Technology to allow true color vision
- 4 arc sensors provide amazing clarity, enhanced definition, and reduces eye fatigue
- Full digital operation: shade, sensitivity, delay, and weld/grind control
- Memory function stores options for future use
- Wider viewing area is ideal for difficult work angles
- Internal controls for maximum protection
- Grind Mode includes warning indicator
- TIG > 5 amps / MIG / Stick
- Lightweight material construction is ideal for extended use
- Meets ANSI Z87.1 and CAN/CSA Z94.3 standards
