POWER THROUGH SCREWDRIVER SET TTX4 5 PIECES

- Chrome vanadium blades for greater strength and material flexibility
- Percussion cap and full length integral blade for use with a hammer to release stubborn screws
- Ergonomically designed bi-material handle for easy use with higher torque and faster speed
- The handle is moulded around the blade to ensure straightness and to allow larger blade wings which give a higher torque capacity
- Organised in a tool tray module size X4 (TTX4)
