

## TRIM & PANEL FASTENER CLIP REMOVAL SET TT1 4 PCS

TengTools 4-piece trim and panel remover set crafted for both interior and exterior applications. This set allows for the safe and efficient removal of fastener clips that secure panels and trim pieces. With distinct pivot points on blade tips for optimal leverage, this set is engineered to prevent twisting, thereby averting potential damage to panels or trims. The set is designed for compatibility with most common clips and offers easy access in confined areas. It comes organized in a TT1 module tool tray for seamless integration into your existing TengTools tool storage system. Ergonomically designed bi-material handles include a tethering hole, enhancing both comfort and safety.

- Versatile design enables the removal of both interior and body clips, expanding your range of tasks.
- Engineered pivot points on blade tips provide optimal leverage, minimizing the risk of damaging the panel or trim piece.
- Compatible with most common fastener clips, ensuring this toolset is a go-to solution for varied tasks.
- Bi-material handles are ergonomically designed, promoting prolonged use without causing fatigue.
- Organised in a tool tray module size 1 (TT1), making it easy to organize and integrate into your existing storage solutions.
