

## 1/4", 3/8" & 1/2" DRIVE METRIC SOCKET SET 67 PCS

- Quick-release, flip-reverse 45 teeth ratchets make for swift fastening and unfastening, reducing time on task.
- Varied selection of extension bars and adaptors offers broad application utility, meeting diverse job requirements.
- 6- and 12-point chrome vanadium constructed sockets in sizes 4 mm - 32 mm ensure long-lasting resilience.
- Organised in a foam inlay module size 4X4 (FOAM4X4).

The TengTools 67-piece metric socket set provides an all-encompassing solution for professionals in industrial settings requiring reliable tools. This set features 1/4", 3/8", and 1/2" square drive flip reverse ratchets with 45 teeth and quick release. A versatile selection of extension bars, adaptors, and chrome vanadium metric sockets (6- and 12-points) from 4 mm to 32 mm are also included. Maintenance crews and automotive repair workshops can benefit from this set's wide range of socket sizes and extension bars for various engine and machine servicing tasks. All tools are securely fitted in a three-colour high-density EVA foam module, designed to fit precisely in 26" (575 mm \* 380 mm) TengTools drawers.
