

11" PRO35™ TOOL CHEST 2 DRAWERS RED

- Compact 11-inch width, ideal for limited space
- Two drawers with 3-step ball bearing slides for smooth operation
- Constructed from top-quality steel treated with a 5-step phosphate-free rust prevention process and a powder coat finish

The TengTools 11" PRO35™ tool chest TST11R2 in a matte red finish, is a compact yet robust tool storage solution. This tool chest measures 11 inches in width and is a reliable and secure tool storage solution in a more compact form. A stand-out feature of this unit is the drop front with the striking TengTools logo, which adds an aesthetic flair to its design. The tool chest is equipped with two drawers, providing space for storing essential tools. Each drawer is constructed with 3-step ball bearing slides offering a smooth and reliable operation. The underside is fitted with rubber feet, which play a crucial role in preventing the box from sliding during use. Like all units in the range of TengTools mobile tool storage, this tool chest is manufactured from top-quality heavy gauge steel. Additionally, the unit is treated with a 5-step phosphate-free rust prevention process ensuring its resistance to wear and tear in various working conditions.
