

LA LUNA 41 | CEILING LIGHTING | WHITE

45306001

Voltage (V): 230 Volt
IP degree if the fixture includes
two types of IP degree: IP20
Class (Class I, Class II, Class III):
Class 2 (Double isolated)
Lampholder type (eg, E27/E14,
etc): LED Module
Dimmerable: True

Primary material: Metal
Secondary material: Plastic
Color of the Glass: Opal white

Color: White
Shade Diameter (cm): 41
Projection (cm): 5
EAN: 5701581362482
TUN: 1896557
Item Number: 45306001
Pcs Per Master Carton: 2

Sales Box Height (cm): 8
Sales Box Width(cm): 46
Sales Box Depth (cm): 44
Sales Box Volume m³ : 0.0162
Net weight of the luminaire (kg):
2.15

Useful Lumen (lm): 1460
Color Temperature (K): 2700
Ra-value : 80
Lifetime (h): 20000
Spread Angle (°) (beam angle of
luminaire): 120
Candela (cd) (for directional
lamp only): 0

- Contemporary, yet timeless design • Soft and diffused light
- Dimmable • Contemporary, yet timeless design

The full moon and its reflected light inspired not only poets and painters to poetry and imagery, but also the designer behind the La Luna to this particular expression of creativity. With the La Luna, a ceiling light has been designed which ensures moonlight every night throughout the year. The two-dimensional moon appears a uniform, light-emitting surface. If one is less poetic, and simply craves light, one might rather, according to the designer, imagine making a hole in the roof to let light flood in. Design by Bønnelycke MDD.
