

FLEET™

HEAVY DUTY WIPER BLADES

PRODUCT DESCRIPTION

NAPA Fleet™ heavy duty wiper blades are engineered to fit the specialized wiper arms used on Class 6–8 Trucks, Transit Buses, School Buses and Class A RV's. Available in multiple styles, each blade is designed to match the Original Equipment configuration for a precise fit.

Built with durable metal construction, these wiper blades are designed to withstand demanding commercial applications and harsh on and off road driving conditions. A premium natural rubber wiping element delivers reliable, streak-free performance for enhanced visibility in all weather conditions.

Each blade includes the required installation hardware for quick and easy replacement. NAPA Fleet™ heavy-duty wiper blades are available in lengths ranging from 10" to 40".

FEATURES & BENEFITS

1. DURABLE METAL CONSTRUCTION:

Stands up to rugged commercial use and harsh driving conditions.

2. ALL NECESSARY HARDWARE:

Includes all hardware necessary for easy installation.

3. HEAVY DUTY NATURAL RUBBER WIPING ELEMENT:

Durable rubber for superior wiping performance and visibility.
