

BEAM WIPER BLADE

PRODUCT DESCRIPTION

NAPA® beam wiper blades are uniquely engineered with its heavy-duty aerodynamic spoiler design and long-lasting dual synthetic rubber. The beam blade technology evenly distributes pressure across the entire wiping element to hug the windshield for exceptional cleaning power. NAPA® beam wiper blades also feature advanced all weather technology combating extreme conditions for year round visibility. NAPA® beam wiper blades are equipped with a universal adapter system which fits most wiper blade arms. Installation is quick and easy with simple to follow instructions inside package. Blades are available in lengths of 13" to 29".
