

PEAK[®] SNOW BEAST[™]

DESCRIPTION:

Let PEAK[®] SNOW BEAST[™] tame winter weather! With its massive synthetic rubber wiping element and flexible beam design, it is ideal for conquering snow and ice. Featuring a soft one-piece spoiler, it provides down force for a cleaner wipe. The one-piece design helps keep out snow and ice, and it stays flexible in cold weather. An extra-large wiping element provides high capacity for clearing off snow and ice and is graphite coated for smooth operation. Installation is a snap with its innovative, simple connector system.

BENEFITS:

- Beam technology for outstanding windshield contact and clean wiping
- Massive wiping element for high capacity clearing of snow and ice
- Graphite coating for a smooth, quiet wipe
- Spoiler provides down force for a cleaner wipe
- One-piece spoiler design stays flexible and helps keep out snow and ice
- Hard-hitting trilingual packaging stands out on the shelf
- Full line of wiper blades from 13" - 28" for complete coverage

APPLICATION:

Application information varies with your vehicle's year, make and model. Be sure to review your owner's manual, your retailer's application data or look up your vehicle's wiper blade size(s) and arm information at www.peakauto.com.
