

MICRO-CLEAN™

PEAK®

CONVENTIONAL MOTOR OIL

DESCRIPTION

PEAK® Premium Conventional Motor Oil, with MICRO-CLEAN™, is a clean engine formula that helps maximize engine efficiency*, providing your vehicle engine protection for 5,000 miles guaranteed†. PEAK Conventional Motor Oil is recommended for protection of critical engine components in four-stroke gasoline fueled engines, including go-karts and lawnmowers.

FEATURES & BENEFITS

- **CLEAN ENGINE FORMULA:** HELPS MAXIMIZE ENGINE EFFICIENCY*
- **MAXIMUM ENGINE PROTECTION:** 5,000 MILES GUARANTEED†
- **STRONG & DURABLE OIL FILM:** PROTECTS AGAINST ENGINE WEAR IN STOP & GO SERVICE

*Compared to ILSAC and API Industry standards.
†Go to: PEAKAUTO.COM for warranty details.

APPLICATIONS

PEAK® SAE 30 is recommended for use in four-stroke gasoline fueled engines, including go-karts and lawnmowers. PEAK® SAE 10W-40 and SAE 20W-50 are recommended for use in vehicles where a thicker viscosity motor oil is desired, such as trucks and SUVs used for towing. Follow your vehicle's OEM recommended oil viscosity and oil change interval if under warranty. Go to peakauto.com to find the right oil for your vehicle or check owners manual for details.

INDUSTRY APPROVALS

SAE 30

• API: SP, SN Plus, SN

10W-40

• API: SP, SN Plus, SN

20W-50
