

GENERAL PURPOSE **BREATHABLE** SMS COVERALL

Breathable SMS Crew Coveralls

SMS Coveralls are breathable, lightweight, soft, and provide excellent protection against nonhazardous dust, fibers, sprays, or fluid splashes where a dry particulate barrier or light liquid repellency is required.

Featuring a three-layer SMS fabric (Spunbond, Meltblown, Spunbond), these coveralls are constructed to provide the protection, durability, and comfort you've come to expect from SAS Safety.

**Hooded style
also available**

Industries and Applications

- Automotive
- Maintenance
- Industrial
- Construction
- Janitorial
- Manufacturing
- Food Service
- Logistics
- Laboratories
- Cleaning
- Pharmaceutical
- Electronic
- Spraying and Laying Insulation
- Petrochemical refineries
- Painting and staining

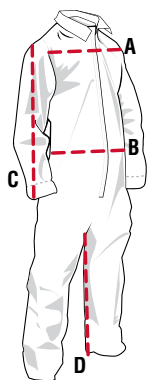

Product Features

- Elastic wrist cuffs
- Concealed zipper
- SMS (Spunbound Meltblown Spunbound) Coveralls are engineered with 3-layers of protection
- Excellent protection against light splashes, sprays and particulates
- Breathable material helps reduce heat stress
- Serged seam style
