

The top of the label features a semi-circular design divided into two halves: a red left half and a white right half. The red half contains three solid white stars, and the white half contains three red-outlined stars. A central white semi-circle contains the text "The more stars the more energy efficient".

The more
stars the more
energy efficient

ENERGY RATING

A joint government and industry program
Fisher & Paykel Refrigerator/Freezer
402B Ice & Water

Energy Consumption

413

kWh per year

When tested in accordance with AS/NZS 4474.2
Actual energy use and running costs will depend on how you use the appliance.
