## SPECIFICATION GUIDE

**OVERVIEW**

This 36" induction cooktop offers expansive cooking flexibility with a clean, modern aesthetic. Install flush or slightly raised from the countertop for design freedom.

Five cooking zones, including two SmartZones, can be linked to accommodate larger cookware.

Touch&Slide controls provide precise temperature adjustments, while induction delivers fast heat response and accurate control.

36", Black, 5 Zone Induction Cooktop, SmartZone

\*Some models may not be available in all markets, please check [fisherpaykel.com](https://fisherpaykel.com) for more information.

**FEATURES**

- ① Install flush or raised with the countertop for complete design freedom
- ② Touch&Slide controls for quick, accurate temperature adjustments
- ③ Five cooking zones, with SmartZone linking to create a larger cooking surface
- ④ Induction delivers instant heat response and precise control across all temperatures
- ⑤ Gentle Heat functions for delicate cooking tasks
- ⑥ Surface stays cool unless cookware is detected, for added peace of mind
- ⑦ Spills won't bake on, making the cooktop quick and easy to clean
- ⑧ Induction wastes less heat by heating only the cookware, not the cooktop surface
