DETAILED DESCRIPTION

PAR56 underwater lamp, improves energy efficiency compared to the traditional 300W halogen PAR56 lamp. It must always be installed completely submerged in water. The lamp has a warranty of 2 years and must be connected to a safety transformer, ensuring that 12Vac arrives. The White lamp does not include remote control.

The RGB lamp is controlled by a remote control, which is included (code 71740) and allows creating the following scenarios:

1. Fade 1 / 2. Fade 2 / 3. Smooth / 4. Flash / 5. Red / 6. Purple / 7. Green / 8. Cyan / 9. Blue / 10. White / 11. Orange / 12. Off.

ACCESSORIES INCLUDED IN THE PACK

- Remote control (only 71740 model)
- Installation and maintenance manual
