iQBridge RS

Anytime & anywhere app control for heat pumps & salt water chlorinators.

Anytime & Anywhere control

- Simple and compact Wi-Fi gateway wired to your heat pump or salt water chlorinator bringing Fluidra Pool® App control.

Your smart pool at your fingertips

- Manage all parameters of your heat pump or your saltwater chlorinator: temperature setpoint, heating modes, water balance setpoints, disinfection modes...
- Access the most relevant operational information and product manuals.

Plug, Scan & Play connectivity

- Simply plug iQBridge RS to your heat pump or salt water chlorinator using the dedicated plug.
- Intuitive app pairing and setup (<1min).
