Mirror Lugano (Anthracite)

Like the lake of Lugano this mirror only reflects the best of its surroundings. The Lugano is a beautifully designed rectangular mirror that is available in various dimensions and frame finishes. Discover its features like adjustable brightness, colour temperature (2800k-6000k) and a four-sided illuminated frame that is suitable for any bathroom. With its additional options such as the anti-fog feature, magnification mirror (5x), bluetooth speakers and washbasin lighting it's one of the most complete illuminated bathroom mirrors you can get.
